COMMUNICATION REQUESTING CORRECTION TO EXAMINER'S
AMENDMENT

Dear Sir:

Applicant acknowledges with appreciation the issuance of the July 11, 2006 allowance papers for this application. Applicant also appreciates the Examiner's effort in remailing the Examiner's Amendment on July 25, 2006; the Examiner's Amendment apparently was inadvertently omitted from the original allowance papers. In reviewing the Examiner's Amendment, the undersigned has found that the revisions noted therein are not in complete accordance with revisions discussed with the Examiner by telephone. While the cancellation of claims 6-14 is in accordance with the undersigned's record, there appears to have been a clerical error in the requested clarification of claim 1. The clarification was to move a portion of line 2 of the previous version of claim 1 to line 3 of the claim, while the Examiner's Amendment inadvertently moved the entirety of line 2 to line 3. Thus claim 1 actually was revised to read as follows.
